ATTN; JAY WEBBER, CHAIRMAN, NJGOP

Hi Jay:

Thanks for coming to Bergen County last week with Michael Steele & Kim Guadagno. You know we are working hard for Victory!

I told you I had been invited to speak to Salem County Republican Women - well received with the hope of their returning to the New Jersey Federation of Republican Women! At that meeting I had the opportunity to meet an exceptional candidate.

Have you met Dr. Bob Villare? Running for Assembly in District 3 with a strong message. I am impressed with him!

Please call him offering your encouragement and support. With hard campaigners like Dr. Bob we can take back Southern New Jersey. He is in it to win it!!

Thanks for reaching out to him. I am also reaching out to Michael Steele on Dr. Bob's behalf. Dot. Romaine
