**State Assembly**

Doctor Bob's "Food for Thought".

**Local Union 322 Members (Welders, Pipefitters and Steamfitters) say Dr. Villare is a new type of Republican leader. Villare supports the members of the hardworking construction unions. "Union work helped put me through college. My dad was a welder, pipefitter and plumber with local 322. You bet I support their interests" says Villare.**

**Exploding deficits, mounting debt, and ballooning unemployment- - who will pay?**

"... What one person receives without working for, another person must work for without receiving. The government cannot give to anybody anything that the government does not first take from somebody else. When half of the people get the idea that they do not have to work because the other half is going to take care of them, and when the other half gets the idea that it does no good to work because somebody else is going to get what they work for, that my dear friend, is about the end of any nation..."

~~~~ Dr. Adrian Rogers, 1931

**What have we learned in 2,064 years?**

**"The budget should be balanced. The Treasury should be refilled, Public debt should be reduced; the arrogance of officialdom should be tempered and controlled, and the assistance to foreign lands should be curtailed lest Rome become bankrupt..."**

~~~~ Cicero - 55 BC

**Evidently, we've learned nothing.**

**"Majority rule only works if you consider individual rights. You can't have seven wolves and one hen voting on what to have for dinner."**

**Vote Dr. Villare for Assembly—District 3**
