## State Assembly

**“We reached the highest unemployment in 20 years for Gloucester, Salem and Cumberland County. Jobs and people flee the state. Tax & spend schemes don’t work. Politicians fail the hardworking taxpayers and the poor. The solution...vote them out of office by voting Dr. Villare for Assembly” on Tuesday, November 8<sup>th</sup>, 2011**

*Robert C Villare, M.D.  
Candidate for State Legislature*

**Gloucester County unemployment tops 10 percent for 1st time in more than 20 years**  
CourierPostOnline.com • September 3, 2009 **In 2011 Cumberland hits double-digit jobless!**

Preliminary unemployment rates released by the U.S. Bureau of Labor and Statistics again show an increase in joblessness in the tri-county area, with Gloucester County topping 10 percent unemployment for the first time since at least 1990.

Numbers for July show an unemployment rate of 10.1 percent in Gloucester County, compared with 9.7 percent in June. Last July, unemployment was 5.9 percent in Gloucester County...

In the tri-county region, Camden County leads the way in unemployment, according to the preliminary numbers. July's unemployment rate was 10.8 percent in Camden County...

**Gloucester, Salem and Cumberland jobless approach 17% when part-time workers and those who give up going to the unemployment office are counted. Violent crimes rises at alarming pace in Cumberland. Thanks to elected officials (Burzichelli/Riley) your county ranks last.**

**District 3 unemployment is the worst in the entire state, yet your current elected officials raised your property taxes, sales tax and income tax.**

**TAKE ACTION! VOTE THEM OUT OF OFFICE**

**Vote Dr. Bob Villare for Assembly**
